## About

[banner about.png](#) [1]

Since 2015, STEM Scotland has been the premier gathering of teachers, headteachers, academics, and local authority professionals from across the Scottish education sector. The conference has grown each year, and we have big ambitions for where to take it next – so get ready for our biggest conference yet in 2020.

### Key Note Speakers, Parallel Panels, & Case Study Presentations

Throughout the course of the day, delegates will learn from several interactive presentations. The aim of the case-study presentations is to demonstrate examples of good practice and to identify transferable benefits that can be applied to your work and organisation. You will also have the opportunity to get the latest insights from high-profile, keynote speakers and engaging panel discussions.

## Who should attend?

Delegates will be drawn from a wide range of stakeholders including:

- Headteachers/Deputy Headteachers
- Heads of science, technology, engineering, and maths subjects
- Senior educators
- Directors of Education
- FE/HE Academics
- Trade Associations and representative bodies
- Industry

**Our events are CPD certified. This event is equivalent to 4 CPD points.  
A certificate is available on request post-event to all attendees.**
